

## **EGOLI EAST – CONTRACTORS IDENTIFICATION**

The following is an example of the card which will be issued by the guard in reception to the contractor. The corresponding number on the card will be noted on the Contractors Access Register and the person's details will be noted.

(Please note that this card needs to be returned to the guard when leaving the property. Failing which, a replacement fee will be charged to the contractor.)

### **Contractors Card:**

In addition to the above, it will be the contractor's responsibility to ensure that the staff members working on the site are clearly identifiable.

The following information needs to be clearly displayed on an additional nametag and needs to be worn by the staff member at all times:

- Company Name
- Name and Surname of staff member
- ID Number
- Blood type
